Additionally, the Company retains the authority to exclude the Trader from any ongoing and/or future bonuses and promotions offered by the Company. **Additionally, any rebates, cashbacks, or commissions generated from such suspicious trading behaviors for both the trader and its introducing partner shall be considered void and null.**

Hence, if you disagree with the reports or amount payable, do NOT accept payment for such amount and immediately send us written notice of your dispute. Dispute notices must be in writing and be received within thirty (30) calendar days of the end of each month for which payment is made, or your right to dispute such report or payment will be deemed waived and

in respect of trades employing the practice commonly known as "churning"; churning is considered, but not limited to, the practice of executing trades through a client account to generate commissions or rebates; trading for the sole purpose of generating commissions or rebates using a strategy like this will not earn any Business Intermediary Commissions and/or rebates; (f) no rebates and/or Business Intermediary Commissions will be paid in respect of trades carried out in a Client Account in respect of which chargebacks and refunds have been effectuated; and (g) no rebates and/or Business Intermediary Commissions will be paid in respect of trades in a Client Account, which we determine, at our sole discretion, to be the subject of "Fraud Traffic"; any and all fraud detection, prevention and remediation costs and all losses and damages incurred in relation to such a Client Account will be deducted from the rebates and/or Business Intermediary Commissions otherwise payable to you.
